

Password Do's & Dont's

Length

DO use 8 or more characters
Longer is better

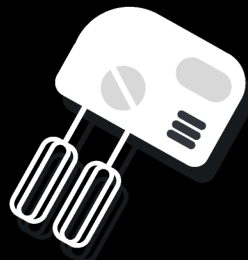

Mash Words

DO string 3 words together that
you can remember like
3wOrdSmushedTo{gether

Mix It Up!

DO use a mix of numbers,
symbols, upper, and lowercase

Manage

DO use a password manager
like 1Password to keep track

Sequential

DON'T use character series like
12345 or abcde

Single Words

DON'T use single words found in
a dictionary, even with character
substitutions like p@\$@word

Personal Info

DON'T use personal information
like pet names or birthdays

Reuse, Recycle

DON'T reuse! Good for the planet,
terrible for passwords
